A TRIP TO BRITISH HONDURAS, SAN
PEDRO REPUBLIC OF HONDURAS.—By Charles
Sweet, of Warren County, Miss. Price one dol-
lar.—For a copy of this pamphlet, 125 pages,
are indebted to Mr. H. C. Clarke, Vicks-

unfavorable to emigration to that country.
He made a thorough exploration and presents
in an entertaining form, a vast amount of

Sweet, in the publication of his notes, has
performed a service to the public, that we
trust will not pass unheeded or unappreci-
ated.

"Poor Tom's Cold"
How warm so'er the genial sun
May look in kindness on the earth,
In Tom Jones' veins no cheering warmth
Disperses the gloomy sorrow of his soul;
Dyspepsia, like a goblin, hinds him down,
Agrim, grim chamberlain, lights him to bed,
While Dizziness, Vertigo, and Headache ride
With fiercer aches combine to make him groan.

SPECIAL NOTICES.
Let not Prejudice Usurp Your Reason.
It is a fact that, in the minds of many
persons, a prejudice exists against what is
called post mortem medicines; but why should
this prevent you resorting to an article that
has such an array of testimony to support it
as **HOTTEFFER'S STOMACH BITTERS?**
Physicians prescribe it: why should you dis-
card it? Judges, usually considered men of
talent, have used and do use it in their fam-
ilies; why should you reject it? Let not
your prejudice usurp your reason to the
everlasting injury of your health. If you
are sick, and require a medicine try these
Bitters.

When the bodily energies are worn out by
anxiety and care, a stimulant, this is the
best that can be taken. It is a tempered and
modified by hygienic herbs and roots, which
prevent it from feverish and blood; and
hence it does not produce a mere temporary
excitement, to be followed by injurious re-
action, but communicates a permanent po-
tency to the entire vital organization. Some
of its herbal constituents are slightly sopor-
ific, so that in cases where sleeplessness is
one of the accompaniments of nervous dis-
eases, a dose taken towards bedtime
will tend to produce quiet and refreshing
slumber. For palpitation of the heart, trem-
ors, hysterics, fainting fits, general rest-
lessness and the countless fears and distress-
ing fancies to which ladies are especially
subject, under certain morbid condition of
mind and body peculiar to their sex, the
Bitters will be found the most agreeable
and certain of all counter-irritants.

The constitutionally nervous may readily
keep their infirmity in constant check by
the daily use of this healthful vegetable
tonic; and those who have "shattered their
nerves" as the phrase is, either by imper-
tent indulgence or undue physical or intel-
lectual labor, will find in this vitalizing
elixir a prompt restorative.

DR. JOHN BULL'S
GREAT REMEDIES,
BULL'S CEDRON BITTERS!

AUTHENTIC DOCUMENTS.
ARKANSAS HEARD FROM.
TESTIMONY OF MEDICAL MEN.
Story Point, White Co., Ark., May 23 '66
Dr. John Bull—Dear Sir:—I received your
Bull's Cedron Bitters, and I got some of your Sarsaparilla and Cedron
Bitters.
Dr. Gist, who has been in bad health, has
tried them, and he also improved.
My son-in-law, who was with me in the
store, has been down with rheumatism for
some time, commenced on Bitters and soon
found his general health improved. Dr.
Coffee, who has been in bad health for sev-
eral years—stomach and liver affected—im-
proved very much by the use of your Bitters.
Indeed the Cedron Bitters has given you
great popularity in this settlement. I think
I could sell a great quantity of your medi-
cines this fall—especially of your Cedron
Bitters and Sarsaparilla. Ship me via Mem-
phis, care of Rickett & Neely.
Respectfully,
C. B. WALKER.

BULL'S WORM DESTROYER.
To my United States and World-Wide
Readers.
I have received many testimonials from
professional and medical men, as my almanac
and various publications have shown, all
of which are genuine. The following letter
from a highly educated and popular physi-
cian in Georgia, is certainly one of the most
sensible communications I have ever received.
Dr. Clement knows exactly what he
speaks of, and his testimony deserves to be
written in letters of gold. Hear what the
Doctor says of BULL'S WORM DESTROY-
ER.

VILLANOW, WALKER COUNTY, GA.,
June 29, 1866.

DR. JOHN BULL—Dear Sir:—I have re-
cently given your "Worm Destroyer" several
trials, and I find it wonderfully efficacious.
It has not failed in a single instance to have
the wished for effect. I am doing a pretty
large country practice, and have daily use
for some article of the kind. I am free to
confess that I know of no remedy recom-
mended by the ablest authors that is so cer-
tain and speedy in its effects. On the con-
trary, they are uncertain in the extreme. My
object in writing you is to find out upon
what terms I can get the medicine directly
from you. I can get it upon easy terms, I
shall use a great deal of it. I am aware
that the use of such articles is contrary to
the teachings and practice of a great major-
ity of the regular line of M. D.'s, but I see
no cause for good sense in discarding a re-
medy which we know to be efficient, and
because we may be ignorant of its combina-
tions. For my part, I shall make it a rule
to use all and any means to alleviate suffer-
ing, and when I am able to do so, I shall
not hesitate because some one
more ingenious than myself may have learn-
ed its effects first, and secured the sole right
to secure that knowledge. However, I am
no means an advocate of quackery, and I
know of thousands of worthless nostrums that
flood the country, that purport to cure all man-
ner of disease to which human flesh is heir.
I have only to inform you of my
best terms. I am, sir, most respectfully,
JULIUS P. CLEMENT, M. D.

A Good Reason For the Captain's Faith.

READ THE CAPTAIN'S LETTER AND
THE LETTER FROM HIS MOTHER.

Benton Barrack's, Mo., April 30, 1866.
DR. JOHN BULL—Dear Sir:—Knowing the
efficiency of your Sarsaparilla, and the heal-
ing and beneficial qualities it possesses, I
send you the following statement of my case:
I was wounded about two years ago—was
taken prisoner, and confined sixteen months.
During that time I was so debilitated, that I
could not do any thing, and I was not
healed yet. I have not shot a moment
since I was wounded. I am shot through
the hips. My general health is impaired,
and I need something to assist nature. I
have only faith in your Sarsaparilla, and
in anything else. I wish that it is genu-
ine. Please express me half a dozen bottles
and oblige
CAPT. C. P. JOHNSON.
St. Louis, Mo.

P. S. The following was written April 30,
1866, by Mrs. Jennie Johnson, Mother of
Capt. Johnson.
DR. BULL—Dear Sir: My husband, Dr. C.
S. Johnson, was a skillful surgeon and phy-
sician in Central New York, where he died
leaving the above C. P. Johnson to my care.
At thirteen years of age he had a chronic
diarrhea and scrofula, for which I gave him
your Sarsaparilla. It cured him. I have
for ten years recommended it to many in New
York, Ohio and Iowa, for scrofula, fever
sores, and general debility. Perfect suc-
cess has attended it. The cures effected in
Cherry in Coughs, Colds, etc., and with Ed-
ward Wilder's Compound Bitters for Chills
and Fevers and Ague.

DR. JOHN BULL
Manufacturer and Vender of the Celebrate
SMITH'S TONIC SYRUP!

FOR THE CURE OF
AGUE AND FEVER
—OR—
CHILLS AND FEVER

The proprietor of this celebrated medicine
justly claims for it superiority over all
remedies ever offered to the public for the
safe, certain, speedy, and permanent cure
of Ague and Fever, or Chills and Fever, whether
of short or long standing. He offers to the
entire Western and South-western country
to bear him testimony to the truth of the as-
sertion, that in no case whatever will it fail to
cure. If the directions are strictly followed
a cure is guaranteed. In a great many cases
single doses have been sufficient for a cure, and
whole families have been cured by a single
bottle, with a perfect restoration of the gen-
eral health. It is, however, a great and a
very case more certain to cure, if its use is
continued in smaller doses for a week or two
after the disease has been checked, more
especially in diphtheria, or when standing
cases. Usually this medicine will not require
any aid to keep the bowels in good order
should the patient, however, require a
thartie medicine, after having taken three
four doses of it, it will do it. It is the pure
BULL'S VEGETABLE FAMILY PILLS
will be sufficient.

MEDICAL.
HURLEY'S SARSAPARILLA.

OF all the remedies that have been discover-
ed during the present age for the "thousand
ills which flesh is heir to," none equal this won-
derful preparation. Only ten years have
elapsed since the discoverer (who spent a de-
cade in studying experiments, and perfecting
it), first introduced it to the public, and it is al-
ready recognized by the most eminent physi-
cians in all parts of the country, to be the most
surprising and effective remedy for certain dis-
eases of which they have knowledge.
All other compounds or syrups of this root
have hitherto failed to command the sanction
of the faculty, because on being tested, they
have been found to contain noxious ingredi-
ents, which neutralize the good effects of the
Sarsaparilla, and sometimes injure the health
of the patient. It is not so with Hurley's pre-
paration.
The pure and genuine extract of the
root, and will, on trial, be found to effect a cer-
tain and perfect cure of the following com-
plaints and diseases.

**Affections of the Bones, Habitual Cos-
tiveness, Debility, Diseases of the Kid-
neys, Dyspepsia, Erysipelas, Fe-
male Irregularities, Fistula, all
Skin Diseases, Liver Complaint,
Indigestion, Piles, Pulmona-
ry Diseases, Syphilis,
Scrofula, or

HURLEY'S AGUE TONIC.
PERFECTLY RELIABLE.

The only remedy for chills and fever or ague
that is so certain and so speedy as Hurley's
Ague Tonic. There have been thousands
cured by using it who had tried the usual
remedies without benefit; but in no case has

HURLEY'S AGUE TONIC
FAILED TO EFFECT A CURE. All who
have used it cheerfully tell their friends of
its efficacy, as a sure and certain cure for
chills and fever. Any one suffering from the
chills would consult their own interest by
sending to a drug store and buying a bottle. It
is pleasant to take, compared with others, and
will be certain to cure all cases of fever and
ague or chills and fever. Send for it to the
proprietors.
